Stockport Together Talk

On 18th October 2017 Marple Cottage Surgery organised a community patient meeting for all patients at practices in Marple, Marple Bridge and High Lane to discuss the changes to social and health care in Marple.

Dr Ranjit Gill, Chief Clinical Officer of Stockport CCG attended to discuss the plans and initiatives of Stockport Together, a commitment from Stockport Foundation Trust, Stockport MBC, Viaduct Health (GP Federation) and Pennine Care, to improve services for patients.

No formal minutes were kept but details of plans can be found by contacting Stockport CCG.
